WASEDA SERIES IS NOW ARRANGED

St. Louis Have Withdrawn and All Oahu Team About Chosen.

At the meeting of the Oahu Baseball League last night, a resolution was passed barring members of the Oahu League from participating in games with either St. Louis or Punahele in the coming international series of games between the Oahu League and the St. Louis team. As a result, the St. Louis team has withdrawn from the series. The schedule is being arranged without the Saints figuring in the series at all, to begin Sunday, July 1, on which day the following games will be played: J. A. C. vs. U. S. Marines; All Oahu League vs. Waseda. On Monday, July 4, games will be as follows: O. C. vs. J. A. C.; C. A. C. vs. Waseda.

The All Oahu team is to be picked from the best players in the Oahu League, possibly as follows: Stares, c; Kealoha, p; Akana, 1b; Stares, 2b; Weidmann, 3b; Kalini, ss; John Lo, lf; Madeira, cf; Amoy, rf. According to Henry Walker, the referee, a man, who recently returned from Japan, the Waseda team is anxious to make the trip to Honolulu. The Waseda team is a first-class team, and he figures them to be much stronger than Keio. Waseda played against the College of Hawaii a couple of weeks ago and defeated the nobility 9 to 0. Three days afterward Keio met the same College of Nobles, and again defeated them, 10 to 0.

Waseda was to play a series of games with the American fleet stationed in Japanese waters, and these will be their last games prior to leaving for Honolulu. The Japanese expected to win only from the American fleet.

AUSTRALIAN PUGS WANT SHOW HERE

A cablegram was received from Suva yesterday, signed by Hugh McIntosh, which he stated that he was anxious to put on a show here, with Burns, Lang and himself as stars, on the arrival of the Maruma from the south. He added that the show given at Suva was a complete success. The remainder of the cablegram is devoted to a reference to the division of receipts here. The cablegram has been placed in the hands of a local show promoter. It is said that the showman is ready to take a hand in the arrangements, should others not wish to take up the proposition, but last night Jack Scully stated he was going ahead with his preparations to present the boxers to the public when the vessel arrived.

Fitzsimmons is not with the bunch, after all. The Maruma is due here June 21, and it is believed the party is to leave the liner at this port and take passage on the Wilhelmmina to San Francisco. The Wilhelmmina sails for the Coast on June 21. If the show is put on it will be next Tuesday night.

NEW CORNERSTONE FOR THE OUTRIGGERS

Clubhouse Already Started With Funds Raised at Recent Function.

The cornerstone of the Outrigger clubhouse was laid at Waikiki yesterday afternoon. Secretary Tuttle, who is in charge of the permanent improvement plans; Curtis Hustace of the house committee; Horomoto, the carpenter, and several live wires of the club assisted in the ceremony of lifting the stone and putting it in place.

The clubhouse will adjoin and be a part of the big lagoon lanai. There will be a mosquito-proof reading and lounging room, forty by sixteen feet, and a canceeroom about the same size. Papers, books and magazines will be kept on file, and niches will be built in the big clubroom for the Clark cups, there being four of these large trophies.

The two Clark cups for canoe surfing are yet to be contested for, and it is probable that this event will take place on the afternoon of July third or fourth. On the evening of one of these dates the Royals will give a special performance at the Outrigger lanai, with a dance to follow. There will be a stage in the lanai, which can easily seat a thousand persons. The Royals will have a good supporting company—and the club will make some more money for its permanent improvement fund.

Workmen also began work yesterday at the Outrigger Club tearing down the coral wall of the roadway leading into the Outrigger grounds along the lagoon, and moving it further out, so that there will soon be an automobile drive to the beach.

"Charley," the caretaker, has struck for assistance, and a helper will be given him. The fifty-one new members of last month, and the new ones coming in every day, has proved too much for the official, so that when he was instructed to open the club restaurant on the 15th he announced: "Too much hanahana."

Enlargements of the accommodations for the women surfers is also in order after Miss Pratt's splendid work in the waves last Saturday. It is hoped now that the women members will go in for the health-giving sport of surfing, and that they will organize canoe crews, as was anticipated when the ladies were asked to form an auxiliary to a club, the sole object of which was the keeping alive of the native Hawaiian water sports.

Miss Pratt has proved that surfing is as easily accomplished by women as by men, and as there is nothing more needful for women in Honolulu than exercise, the women of the auxiliary could perform no nobler mission than to encourage the younger members, at least, to get out in the canoes and on the healthgiving surfboards. The Outrigger is getting back to the idea of frequent sports in the waves, and the young girls of two years ago who then learned to ride the surfboard and paddle in canoes should be encouraged to join the club and help others to gain health in the waves.

HAWAII'S CREW TO SEE BIG FIGHT

SAN FRANCISCO, June 1.—Word comes from Honolulu that the yacht Hawaii left today for the Coast in command of Commodore C. T. Wilder of the Hawaii Yacht Club and an amateur crew. She sailed at 2:15 p. m. and expects to arrive off San Pedro about June 20th.

The last time the Hawaii came to the Coast she made the long boat to windward of more than 2000 miles in the remarkably fast time of nineteen days, and should the winds be holding steady, she may well repeat the performance.

On arrival in San Pedro the yacht will be hauled on the ways and her hull given a thorough cleaning. After that her crew of yachtsmen will come to San Francisco by steamer to attend the Johnson-Jeffries fight, and will return south in time to start on the race back to Honolulu on July 9th, the date set for the start.

Another entry has been received for the race in the schooner-yacht La Vagiera, owned by Captain Clayborn of the Tacoma Yacht Club. The latter expects to start south early this month, and will call in here on his way down about June 20th.

Dr. O. N. Nelson of San Diego, who bought H. H. Sinclair's Lurline and took her to San Diego, sent word that he will not enter the race, but expects to make a summer cruise in northern waters instead.

This last entry makes the total of yachts entered six—the Hawaii, schooner Sweetheart, yawl Gwendolyn II, sloop Siwash, yawl Winsome and schooner La Vagiera.

JUST WANDERED FROM HOME AND BLEW INTO THE GAME

SMILING MICKEY DUGAN, THE SEAL'S MASCOT.

Aside from "Doc" Frost the most enthusiastic individual in the procession when the Seals began their recent series on the home grounds, says the San Francisco Bulletin, was little Mickey Dugan—little Mickey, whom Charley Dryden once found occasion to rebuke. Theophastus Such. To the Seals' mascot it was the happiest event in his life, and his chest swelled to enormous proportions when he took his cue from Danny Long and fell into step for the march across the field. To some the ceremony of raising the pennant was just a little by-play, to be followed by a snappy game of ball. Pennant raisings are all right, reasoned these fans, but baseball's the thing. Not so with Mickey. His thoughts went back to another occasion when the Seals first copped the rag, and his face was all smiles at the happy recollection.

Just how Mickey broke into baseball is a question. He himself doesn't

know. The best you'll get for an answer if you ask him is, "I like the game and the fellows treat me pretty good, so I don't have no kick comin'." Aside from this, there is a well-founded rumor that Mickey wandered around the corner from home and just blew into the game. The players happened to take a fancy to him and he was given the job of mascot, which includes everything from carrying the bats to filling the water bucket. All these things Mickey performs, not to mention the choice collection of humorous yarns that he peddles out to the men on the bench.

WAIALUAS WIN A HOT BASEBALL GAME

The famous Waialea School baseball team met a large snag last Saturday at Waialea when they narrowly missed being whitewashed by the local plantation youngsters, the score being 2 to 1 in favor of Waialeas.

Up to the fifth inning, the game was hotly contested by both sides, with the score of 1 to 0 in favor of the home team. In the sixth inning, the score was tied, a lucky run being made by the Waialeas, but they were held down for the rest of the game. In the eighth inning, the wily burglars of Waialea walloped them in great style and made the winning run in this inning and were declared the victors by a score of 2 to 1.

The defeat of the Waialeas was due to the steady pitching by Alfred Alameda, who struck out ten and allowed only four hits. His offering proved a puzzle to the visitors. Domingo, who pitched for the losing team, was also in good form, but had a poor support. The feature of the game was the long running catch made by Tony Fegero, the Waialea center fielder, over the right field. It was a very clean and fast game, and both teams knew they had been playing baseball when it was over.

Following is the score and lineup:
Waialeas 2 0 0 0 1 0 0 0—1
Waialeas 0 0 0 0 1 0 0 1—2
Waialeas—F. Swan, ss; M. Kalei, 1b; E. Markham, rf; S. Keawe, 2b; S. Halli, c; Mon Sing, lf; A. K. Kane, cf; J. M. Johnson, 3b; H. R. Domingo, p.
Waialeas—Benj. Ashin, ss; J. Alameda, 2b; H. Plover, c; Jas. Awa, 3b; J. Teves, 1b; M. Fugimoto, lf; M. Fegero, lf; Jose Alameda, ss; A. Fegero, cf; M. Mouis, rf; A. Alameda, p.

MARINE BARRACKS ROLL UP A FEW SCORES

In a seven-inning game, played at the Marine Barracks Monday evening, between Maunaloa's Beasts (Company B) and Connor's Colts (Company A), the former team won by a score of 12 to 3. Company B outclassing their opponents in all stages of the game. The features of the game were the playing of Company B's third baseman and the pitching of Allen of Company B, striking out fifteen men and allowing no hits. Batteries—Company B, Allen and Anderson; Company A, Battin and Grant.

Score by innings:
Company A 1 0 0 0 1 1—3
Company B 0 2 2 2 1 1—12
Summary—Struck out, by Allen 15, by Battin 5; first base on balls, off Allen 1, off Battin 4; hits, off Allen 0, off Battin 9.

AIKAS DEFEAT WAIANAES.

On Sunday the Aiea nine of the plantation league defeated the Waianaes at Aiea, in the close score of 12 to 11. The plantation league has kept up the spirit of baseball in the country districts and is bringing out some excellent material for major league service.

KAMEHAMEHA CLUB AT RACES AND LUAU

The Kamehameha Aquatic Club held water sports at Kahakaulana on Saturday, June 11, commemorating the natal day of Kamehameha the Great, with a program which opened at ten in the forenoon. The first event was a modern canoe sailing race for a prize, which was a loving cup presented by friends and patrons of the club, to be competed for annually and to become the property of the one winning it three times. The entries for the first race were the Kiokalani, captained by M. B. Panohu, who was the winner; time, 32½ minutes, the course being about three and a half miles.

The second winner was the Kamehameha, captained by Henry Iaea, time 34½ minutes; Diamond Star, captained by Alex Smith, Jr., no time taken, as his canoe split.

In the ladies' paddle canoe race, the Maikai Fine, captained by Mrs. Alex Smith, was the winner, time 4 minutes, over a straightaway course of a quarter-mile. The second was the Lanakila, captained by Mrs. Samuel Kipi.

In the men's four-paddle canoe (modern) race, the Lanakila, captained by Samuel Luahine, was the winner, and the second was the Maikai Fine, captained by Alex Smith, Jr., the course being from headquarters to flag and return, distance one-half mile; time, 3½ minutes.

The men's six-paddle Hawaiian canoe race, with a money prize, went to the Kalei, captained by Alex Smith, Jr., and second to the Nialani, captained by Samuel Luahine, same course; time, 3 minutes.

A grand luau awaited all who availed themselves of the club's hospitality, and the day was very enjoyably spent by hosts and guests alike.

MAUI GIVES CUP FOR INTERISLAND RACES

First Contest for Perpetual Yacht Trophy Will Finish on July the Fourth.

The Maui sports have put up a handsome challenge cup which is to dangle before the eyes of all the Islands' yachtsmen as a perpetual tantalizer to be contested for each year in a race from Honolulu to Kahului. The first of these events will be sailed during the Fourth of July holidays next month.

The race is to start from here at two o'clock in the afternoon of Saturday, July 2, so that the yachts will arrive at Kahului on the morning of the Fourth in season for the turf meet at Spreckels' Park, giving the amateur mariners a chance to play the ponies and take in all the celebrations on that island of sports.

The yachts Charlotte C. Kamehameha, Gladys and Helene will participate in the first interisland challenge cup race and Eben Low intends to enter his yacht, the Concord, provided he can round up a sufficient number of amateur mariners from the Hawaii Yacht Club to form a crew.

Commodore James E. Jaeger will leave Honolulu in the launch Kulamann II early on the morning of the second and expects to arrive at Kahului the same evening. This will give him plenty of time to aid in the arrangement for the finishing ceremonies and to meet the yachts when they come in and declare the winner.

Frank and Harry Baldwin and Tom Skinner are the leading spirits in the Maui movement to promote interisland races and Mr. Skinner has been in Honolulu for the past few days arranging the details for the initiative event.
